---

Dear Parents/Carers,

Unfortunately cross country training had to be cancelled today due to a completely saturated field. I was hoping to run the session and put up with a bit of mud, however thanks to the relentless rainfall last night the ground is completely waterlogged beyond the point of use.

To keep the team active however, I will run some sprint/relay games on the playground on Tuesdays for the cross country squad. I'll also try and fit one in this week to make up for the missed practice. If your child wishes to attend please ensure they have their PE kit in school then we can fit one in between the rainfall!

Thanks for your understanding,

Mr Meaton and the Cross Country Team
