Subject: Class Photographs : Monday 23rd May

Dear Parents and Carers,

The photographer will be in school on Monday 23rd May to take class photographs of **Nursery, Reception and Year 6 year groups only**. These photographs will be available later in the term for you to purchase if you wish.

All other Year Groups will **not** be photographed this term, however please note that our routine for individual and family group photographs will be organized as normal in the autumn term.
