**Subject:** Phonics and Maths Workshop

---

Dear Parent/Carer,

Over this half term 2 workshops will be delivered to give you the opportunity to come into school and work with your child. The workshops will take the form of a small presentation around the particular area of learning and some time to work with your child on relevant activities in class. These workshops are designed so that you can draw ideas for activities you can do with your child at home and gain a better understanding of progression of reading and maths throughout KS1.

The first workshop will be all about reading and phonics. This will take place on Monday 18<sup>th</sup> January 9.00am – 10.00am. After dropping your child off please make your way to the main hall via the office.

The second workshop is all about maths. This will take place on Tuesday 9<sup>th</sup> February 9.00am – 10.00am. Please sign in at the office after dropping off your child and then go directly to your child's class.

For parents that are unable to attend, handouts will be sent home with your child that evening. We look forward to seeing as many parents/carers as possible!

Kind regards  
Miss Peek  
Key Stage 1 Leader
