

Thursday 8th December 2016

Dear Parents/Carers,

Our next whole school celebration of languages day 'Christmas around the World' will be taking place next **Friday 16th December**. At St. Mark's, the children are already getting excited about Christmas and are looking forward to learning about Christmas customs and traditions around the world.

It would be wonderful if any parents/carers who feel willing to share their own experiences and knowledge of Christmas celebrations through different languages and cultures could join us at some point during the day. If you are able to spare an hour to join in with the activities or to simply give our children the opportunity to hear a variety of spoken language from around the world, please let your child's teacher know and we will contact you with further details. We hope you can be part of what we are sure will be an enjoyable day to kick start our festive celebrations!

Many thanks in advance,

Mrs Knights and Mrs Colley

MFL Co-ordinators
