

St. Mark's C.E. Primary

Dear Parents/Carers,

I trust you all had a wonderful and well deserved Summer break. Please find below some early dates for your diary and the briefest of updates on building work -more to follow in the September newsletter!

Building Work

I'm sure you will not have failed to notice the scaffolding and fencing in and around the school upon returning today. Whilst a significant amount of work has already taken place over the Summer, including new windows, flooring and ceilings, improvements to the roof and KS2 playground remain ongoing. We are hopeful of all the work being completed within this first half term and look forward to seeing the end results. Rest assured all health and safety measures are in place and there are no risks at all to your child/ren as they work and play.

Dates for the diary

Year 6 Parents Induction Meeting **5:00pm Monday 11th September**

Year 3 Parents Induction Meeting **5:00pm Tuesday 12th September**

Year 1 and Year 2 Parent Induction Meetings **5:00pm Thursday 14th September**

Reception Parent Induction Meeting **5:00pm Monday 18th September**

Key Stage 1 Parents Reading Workshop **Tuesday 19th September 9:15-10:15am**

Uniform

Please can we remind you, especially given the amount of money each of you will have spent over Summer, to ensure that **ALL** school uniform has your child's name on. Here's hoping for a redundant lost property basket.....

I look forward to seeing each of you around school in the next few days and will be back in touch with September's official newsletter soon.

Yours sincerely

Mr.D Kay
