Subject: Re-Launch of St Mark's Parent Council

Dear Parents,

As from January I will be taking over the role as Acting Deputy Head Teacher. Following on from the work that Mrs Barry has undertaken with our Parent Voice questionnaires I would like to re-launch our Parent Council. In previous years we have had much success with our parent council.

As a school we value parental opinion on issues in and around school. We would like to develop our partnership further in order to support pupils' learning.

I would like to hold an initial open meeting on Friday 8th January at 9.00am for any parents who would like to express an interest in joining the parent council. Please let me stress that this is just an open forum and you will not be committed to sign up for anything! I will send out a reminder in the first week back after Christmas. I appreciate as a working parent that you may be unable to attend this so if you have would still like to be involved in the parent council then please contact me to discuss this.

For our parent council to run successfully we would ideally need one parent representative from each class. We will hold one meeting a half term which would last approximately half an hour and it would help if you have time to communicate with other parents in your child's class.

If you have any further questions regarding this please do not hesitate to contact me.

Kind regards

Louise Mansfield
