School Meal Prices

A reminder that **meals can only be ordered once payment has been made** so please ensure there is sufficient credit on your account at the start of each week.

When making payments via ParentPay, please remember to move the payment item to your basket and then select your preferred payment method. Allocating money to your ParentPay account will not automatically pay for the item. If you have recently made a payment, you may wish to check that your payment has been allocated correctly.
