

Dear Parents/Carers,

Welcome back! We hope you and your children have had a lovely, relaxing summer holiday and the children are back recharged and ready to go!

### **PE**

Both year 3 classes have PE on Thursdays so please ensure your child's kit is in on this day.

### **Homework**

Children are required to read at home a minimum of 3 times per week and please ensure their reading records are signed by the adult who has shared the reading with them. Children can change their books any day during the week as long as they demonstrate a good understanding of it and have put it in the designated place in the classroom for changing.

Children will bring home spellings every Friday and these will be tested the following Friday. These spellings are provided by your child's phonics/spellings teacher but any queries/concerns can be directed to your child's class teacher. The first week's will be provided Monday 10<sup>th</sup> September.

Maths homework will take the form of timetables through the timetables rock stars website and more details will be provided regarding this in due course.

### **Curriculum**

Each half term a curriculum newsletter will be sent out with a basic outline of the things we will be covering in class. This is not an extensive list but we hope it will give you an idea of what the children are covering.

Should you need to know anything urgently before the open evening feel free to approach your child's class teacher with any queries/concerns.

We look forward to a successful and enjoyable year with your children and yourselves!

Kind regards  
Miss Peek and Mrs Olive
