

St. Mark's C.E. Primary

Dear Parents and Carers,

As part of our geography and RE topics we have arranged two visits for the children to take place next week.

On Tuesday 26th September, both Year 4 classes will be carry out a river study in Worsley woods to follow the path of the brook and identify it's features. We will leave school at 1.30pm and will be out of school for approximately 90 minutes. The children will need to make sure they have coats and wellingtons with them that day. We also would be grateful for any parent helpers who could accompany us on our learning walk. If you could let Mrs Whitehead know if you are available that would be great.

On Thursday 28th September, both Year 4 classes will be going across to St Mark's Church to identify and learn more about the different features of the church.

We hope the children will enjoy the visits and find them a useful addition to studying the topics in class.

Thank you for your support,

Mrs Whitehead, Mrs Cooper and Mrs Hill.
